

List of Ant Species Observed in the Jug Bay Wetlands Sanctuary

Species identities confirmed by: Daniel Kjar, Tim Foard, and Fred Paraskevoudakis

<i>Aphaenogaster fulva</i>	Myrmicine Ant
<i>Aphaenogaster lamellidens</i>	Myrmicin Ant
<i>Aphaenogaster rudis</i>	Myrmicine Ant
<i>Aphaenogaster tennesseensis</i>	Myrmicine Ant
<i>Aphaenogaster treatae</i>	Myrmicine Ant
<i>Brachymyrmex depilis</i>	
<i>Camponotus americanus</i>	Carpenter Ant
<i>Camponotus castaneus</i>	Chestnut Carpenter Ant
<i>Camponotus chromaiodes</i>	Carpenter Ant
<i>Camponotus nearcticus</i>	Carpenter Ant
<i>Camponotus pennsylvanicus</i>	Black Carpenter Ant
<i>Camponotus subbarbatus</i>	Carpenter Ant
<i>Crematogaster cerasi</i>	Myrmicin Ant
<i>Crematogaster lineolata</i>	Lined Acrobatic Ant
<i>Dorymyrmex bureni</i>	Formicin Pyramid Ant
<i>Dorymyrmex grandulus</i>	Formicin Pyramid Ant
<i>Dorymyrmex pyramicus</i>	Formicin Pyramid Ant
<i>Formica integra</i>	Formicin Ant
<i>Formica pallidifulva nitidiventris</i>	Formicin Ant
<i>Formica pallidifulva pallidifulva</i>	Formicin Ant
<i>Formica schaufussi</i>	Formicin Ant
<i>Formica subsericea</i>	Formicin Ant
<i>Formica vinculans</i>	Formicin Ant
<i>Hypoponera opacior</i>	Ponerine Ant
<i>Lasius alienus</i>	Cornfield Ant
<i>Lasius interjectus</i>	
<i>Lasius murphyi</i>	Formicin Ant
<i>Monomorium emarginatum</i>	Myrmicin Ant
<i>Monomorium minimum</i>	Little Black Ant
<i>Myrmecina americana</i>	Myrmicine Ant
<i>Myrmica latifrons</i>	Myrmicin Ant
<i>Myrmica pinetorum</i>	Myrmicin Ant
<i>Paratrechina faisonensis</i>	Formicin Ant
<i>Paratrechina parvula</i>	Formicin Ant
<i>Pheidole bicarinata</i>	Myrmicin Ant
<i>Pheidole davisii</i>	Myrmicin Ant
<i>Pheidole dentata</i>	Myrmicine Ant
<i>Pheidole pilifera</i>	Myrmicin Ant
<i>Ponera pennsylvanica</i>	
<i>Prenolepis imparis</i>	Formicine Ant
<i>Proceratium pergandei</i>	
<i>Solenopsis molesta</i>	Myrmicine Ant
<i>Stenamma impar</i>	
<i>Tapinoma sessile</i>	Dolichoderine Odorous House Ant
<i>Temnothorax curvispinosus</i>	
<i>Tetramorium caespitum</i>	Myrmicine Pavement Ant
<i>Trachymyrmex septentrionalis</i>	Northern Fungus Gardening Ant
